Dates for your Diary September and October

To save repetition, recurring activities in a month are shown at the end of each month.

September

We are gradually getting over the only natural concerns about Covid and its variants. The number of activities is slowly building up again. If you feel you can contribute something, please respond to this email.

On mutually agreed dates...

Free pottery lessons

After many years of offering Free pottery lessons each week, I have decided to only offer these to those interested, on a mutually agreed basis.

Over the years some 49 pots have been made, fired, and glazed. Mostly by complete beginners. So if you have an interest, contact me by email using the link below, and we can probably sort something out that is mutually convenient.

On a date to be decided...
